十三、阅读理解（16分）

(一) 根据短文内容，判断下列句子正（T）误（F）（5分）

Air

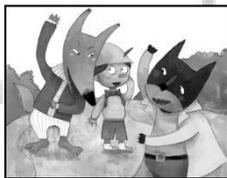

Air is all around us. It is around us as we walk and play. From the time we are born(出生) air is around us on every side. When we sit down, it is around us. We can live without food or water for a few days, but we cannot live for more than a few minutes without(没有) air. When we are walking or playing we need more air. When we are asleep, we need less air.

We live in air, but we cannot see it. We can only feel it. We can feel it when it is moving. Moving air is called wind. How can we make air move? Here is one way. Hold an open book in front of your face. Close it quickly. What can we feel? What you feel is air.

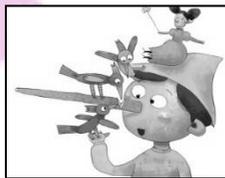

- () 1. Air is around us as we walk and play.
- () 2. When we are asleep, we need no air.
- () 3. We can see air but we can't feel air.
- () 4. People cannot live for more than a few minutes without air.
- () 5. We call moving air 'wind'.

The fairy tells Pinocchio not to tell lies, then he can be a real (真正的) boy. Geppetto buys books and a school bag for Pinocchio. Pinocchio is going to school.

2. Pinocchio: There is a fox and a cat. Hello!

Fox & Cat: Hey, let's go to the puppet show! It is very funny.

Pinocchio: OK, let's go.

3. The puppet master (老板) sees Pinocchio.

Puppet Master: Oh, that puppet moves and speaks. People will pay(付) money and see him.

[The puppet master locks Pinocchio in a room.]

4. The Blue Fairy appears.

Blue Fairy: Pinocchio, why are you here?

Pinocchio: I wanted to go to school. But the fox and cat took me here. Oops! My nose is growing!

Blue Fairy: Pinocchio, you are lying(说谎). So your nose is growing.

Pinocchio: Sorry. I will not lie (说谎) again.

Blue Fairy: Good.

[Woodpeckers(啄木鸟) peck(啄) at Pinocchio's nose.]

Blue Fairy: Now your nose is small again. You are free.
